

For those who are hospitalized with COVID-19 infection

- You will be admitted into a special hospital room, therefore, you will not be allowed to step outside of the room.
- Family members are not allowed to visit you.
- Please refrain from going to the hospital store. Upon admission, you will be provided with a prepaid card that can be used in the store. However, a staff member will buy what you need as necessary.
- When you arrive at the parking lot, please call the hospital representative (0749-63-2111) Be sure to wait there until a representative arrives to pick you up. Do not get out of the car while waiting.
- Please make sure to always wear a mask.
- You will be provided with a "hospitalization kit" during your stay in the hospital. (Additional charges apply)
- Free Wi-Fi is not available.

Kindly be aware and confirm the above.

What you will need upon admission.

- Insurance card, medical certificate, referral letter
Your current medications
 - Spare masks (as many as you have)
 - Underwear and socks (as many as possible)
 - Jacket, etc.
 - Slippers
 - Beverages (such as tea)
 - Recreational products
- Other necessary items (smart phones, chargers, etc.)

Notes:

- The hospitalization kit comes with shampoo, conditioner, and body soap. You may bring your own if you prefer.
- You may bring your own loungewear.
- The cost of hospitalization, such as prepaid cards and hospitalization sets, will be charged at a later time.
